M'LAURIN STANDS FOR "BLEASEISM"

Says Manning Made Issue By Espousing "Anti" Side. Favors "Blennu Circus."

Columbia, April 14.—Claiming that Mr. R. I. Manning had drawn the factional lines in the race for governor, Senator John L. McLaurin, who is also a candidate for that position, came out squarely tonight on the Blease side of the issue, saying that Mr. Manning had espoused the Anti-Bleaze side. Senator McLaurin stated that he intended lining all of the candidates up. Asked what he thought about the issues of the campaign, Senator McLaurin said:

"Well, I stated them in an address a few days ago. Mr. Manning has drawn the factional lines in his platform, and he and I are the only ones who have taken a clean-out position as to how we stand on that issue. I accept the challenge, and, you mark my work, this race will be between Manning and myself. Political non-descripts running with the hare and barking with the hounds will never get out of the briar patch.

"The most important issue is the warehouse bill, but it is non-political, and no one should try to make political capital out of that. Compulsory education is a hobby, primary reform a fake that has fizzled out and the Fortner bill a racial instinct.

"Manning is a man I admire personally, but politically he has always been against the masses for the classes. Bleasism does not mean Governor Blease and nothing else, and he can't run that racket over me. He was against Tillman, so naturally is against Blease. Mr. Manning believes in the rule of a minority, not a majority. This must be true, or he would not have tried to upset the result of the last primary. We might just as well fight it out and see whether the rule of the people is to continue or the oligarchy again take charge and disfranchise enough voters in the primary to hold them in power indefinitely."

Of the county to county campaign he said:

"I want it continued. It is a good thing to meet the people face to face. I will be glad of the opportunity, and I have no fears of the result."

The Senator was asked whom he favored for State chairman.

"I have not heard that discussed much," he said, "but wherever I have, sentiment seems to favor Col. Willie Jones. There is certainly great dissatisfaction, and everyone seems to think that the abortive attempt to upset the last primary would not have occurred with Col. Jones at the helm. I know of no man who has given more and received less of the hands of the party than Willie Jones."

FIRE FROM MILITIA STOPS HORSE RACE

Tulsa Jockey Club Officials Call Off Spring Meet. Several Arrests Made.

Tulsa, Okla., April 15.—Disregarding a restraining order issued by Judge M. A. Breckenridge, of the Superior Court, State troops took possession of the Tulsa Fair Grounds, proclaimed under martial law by Governor Lee Cruce, and when an attempt was made to run the races carded for the afternoon, a squad of militiamen fired a volley over the heads of the jockeys.

With this show of force and the declaration of Adj. Gen. Frank M. Canton, who was in personal command of the troops, that if another race was started the militiamen would fire to kill the horses, officials of the Tulsa Jockey Club ordered the spring race meeting, which began Monday, abandoned temporarily at least.

Today's action brought to culmination a contest as to the right of "book-makers" to operate at the track. Monday open betting was permitted and Monday night District Judge L. M. Poe issued an injunction prohibiting the placing of wagers. Tuesday report was made to the governor that violations of the State anti-gambling laws continued, and last night the proclamation declaring the track under martial law was issued.

Habeas Corpus Hearings.

The next move will be the hearing of habeas corpus proceedings, instituted in behalf of several men arrested by the State troops today. Application for the writs was filed before the court of criminal appeals in Oklahoma City late this afternoon. No date has been set for the hearing.

Two companies of militia were employed in stopping the races today. First the stands were cleared of spectators and orders given formally for the discontinuance of the races. This order was disregarded and ten horses entered in the first race were sent to the post. The starter lost no time in dropping the barrier, and as the horses entered the stretch the militiamen fired over the heads of the jockeys.

J. M. Stewart, a private detective, who had refused to leave the ground; a stable boy, who attempted to lead a horse from the track, and a spectator, who tried to force his way through the guard lines, were arrested.

WHARTON WON SYLVAN CUP.

Laurens County Boy First in Cross Country Run.

Columbia, April 17.—W. W. Wharton, of Cross Hill, Laurens county, won the annual cross-country run at the University of South Carolina yesterday, making the four miles and a quarter distance in 27 minutes. The winner gets his name engraved on the Sylvan trophy cup. A. S. Williams of Lexington county was second and L. B. Templeton, Jr., of Cross Anchor was third. H. H. Beard, Jr., of Columbia finished fourth.

This was a revival of the Sylvan cup race. For the past few years the race has not been run. The last winner was Elliott Simkins of Edgefield who won the race in the spring of 1909.

Yesterday's time was good. The first four men were well grouped at the finish, Wharton leading Williams by about 20 yards. Templeton was close on the heels of Williams and Beard was about 100 yards behind Williams. There were about seven starters in the race. The officials were John Blackburn and Leon Williams.
